Address _____

School you plan to attend—please check one:

- 2-year college
- 4-year college
- Technical school

College/Technical School Name _____

You must be a graduating Senior in good standing at West Central High School to qualify for this award.

The Stronghurst Lions Club was formed in 1977 with the goal of providing volunteer work and financial assistance to individuals that help to improve our community. We established these 250 dollar scholarships to recognize graduating seniors from West Central High School that have volunteered to make areas within the West Central School District a better place to be.

Please complete the rest of this application on a separate sheet of paper. Do not put your name on this paper. Please list the volunteer activities that you have been involved in. These must be volunteer hours and could have been completed in Henderson County, the State of Illinois, or somewhere in the United States. Please explain what each activity included and list the approximate number of hours volunteered for each activity. The name and phone number of a supervisor for each activity must be included for verification purposes.

Upon receiving your application, your paperwork will be submitted to a committee established by the Stronghurst Lions Club for review. Recipients of the Service Award will be notified at the Senior Awards Ceremony held by West Central High School.
